

Yasmine SPA
ياسمين سبا

Relax, Refresh, Rejuvenate...

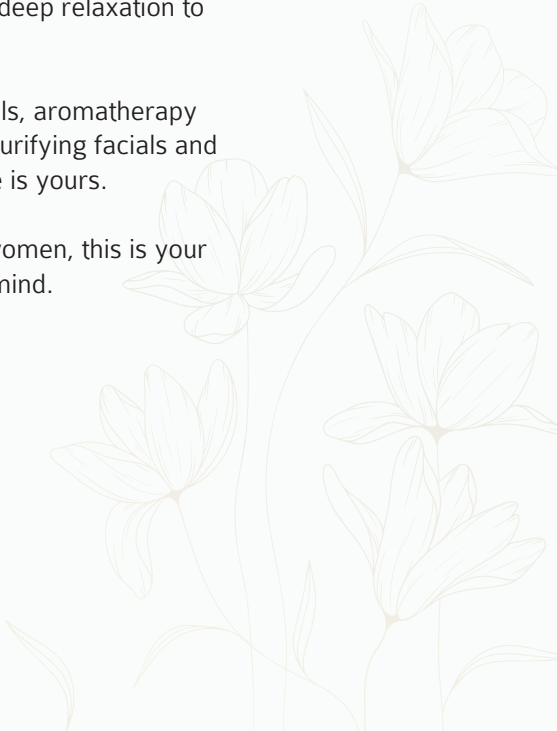

Yasmine Spa is one of the most advanced and unique spa complexes in Dubai that is dedicated to pampering the senses, relaxing, revitalizing and refreshing your mind.

It is also popular in using Dead Sea products in the treatments, making it a remarkable destination for healing and relaxation.

The spa features a sauna, steam, outdoor Jacuzzi, body and facial treatment rooms. Our highly trained therapists provides a host of personalized experiences that range from deep relaxation to spiritual well-being.

Take your pick from our revitalizing spa rituals, aromatherapy massages, luxury face and body treatments, purifying facials and customized spa packages; the choice is yours.

With separate private sections for men and women, this is your chance to reset your body and mind.

FACIAL TREATMENTS

PURIFYING FACIAL (all skin types)

This deep cleansing facial uses active marine ingredients for those looking to cleanse the skin deep down before going for a course of specific treatments. Facial massage techniques are incorporated to stimulate the facial muscles. Face mask is applied according to your skin type which makes your skin feel fresh, clear and soft.

With steam

COLD MARINE (sensitive)

Based on revitalizing marine extracts, this treatment incorporates a cool mint mask to reduce redness, refine, relax, and tighten tension lines. It is perfect for sensitive skin prone to blotchiness.

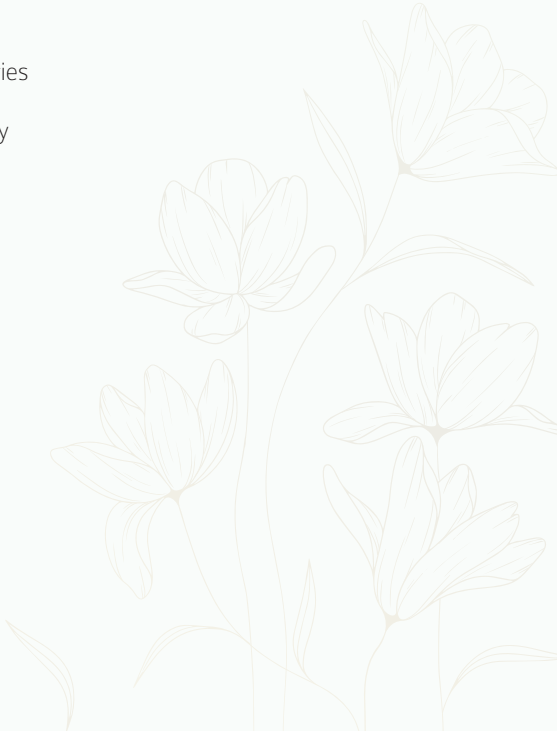

75 Min

AED 220

Pro Dermis: Specific line designed for sensitive skin with a constitutional tendency to develop irritative or allergic reactions. Designed to interrupt the inflammatory 'vicious-circle'.

Pro Rose: Designed to reduce the visibility of blemishes associated with Couperose. Couperose is a blotchiness of the skin characterized by capillaries dilation and red-purple color mostly localized in the nose and cheek area.

Pro Age: Dedicated to mature and sensitive skin. An absolutely necessary treatment to prevent, protect and prolong the face vitality, immediately fighting against signs of skin ageing.

ANTI-AGEING FACIAL TREATMENTS

FORMULA 201 (all skin types)

Plant stem cells combined with Mandelic peel possess the special property of enhancing the cell renewal capacity initiated by peeling. It has different treatments under it to correct specific skin disorders.

Whitening Treatment- Pigmentation, dark spots and photo ageing

Rejuvenating Treatment - Wrinkles and skin ageing

Normalizing Treatment - Oily skin and dilated pores

Green Age - Juvenile acne, aftermath of juvenile acne

Skin Freshening Treatment- Skin freshening and glow
